# Kid's Multi

A multivitamin & mineral supplement formulated especially for kids with ionic minerals from ConcenTrace®.

## COMPLETE CHILDREN'S CHEWABLE

A complete multivitamin & multi-mineral, plus ConcenTrace®, stevia, & other essential nutrients.

### DIETARY SUPPLEMENT

**Kid's Multi** is a great tasting dietary supplement formulated especially for kids to provide them the key nutrients they need as they grow and develop to promote and maintain optimum health.†

**Kid's Multi** is formulated with vitamins, minerals and other important nutrients in combination with over 72 full-spectrum, body-balanced ionic trace minerals from ConcenTrace® for heightened absorption and assimilation.† In addition, **Kid's Multi** is formulated with all natural fruit concentrates and flavors, is low in sugar, and is gluten free.†

**Complete Children's Chewable™** is a great tasting complete multivitamin with vitamins, minerals, trace minerals and essential nutrients your active child needs through the growth and development stages in life to stay healthy and grow up strong.†

Sweetened with natural stevia and inulin for an all-natural great taste, **Complete Children's Chewable™** is low in sugar, certified vegetarian, and and gluten free.

Whether you choose **Kid's Multi** or **Complete Children's Chewable™**, have the peace of mind knowing that both products are backed by our **Feel the Difference or Your Money Back** satisfaction guarantee.

Feel the difference or Your Money Back!
